CENTS.

765 1793 Chain. Head of Liberty. Date and LIBERTY large. No periods. Shows all the fine lines of the hair. A few minute nicks on obverse, and surface of field very slightly oxidized; otherwise brilliant, olive surface. Olive-brown color. Extremely fine and very rare. Purchased in Europe a year ago for $30 and afterwards sold for $40.

766 1794 Small head. Uncirculated. Even, strong impression, with perfect milling on obverse and reverse. Rich olive-brown color. A magnificent cent, and as this variety (Maris, No. 12) is usually weak and found in poor condition, it would prove a fine acquisition to the collector of varieties, as well as for its beauty. Excessively rare. This was the finest specimen in the Bushnell sale, and is limited at $25.

767 C 1794 Light impression, as usual. Maris, No. 12. Fine.

768 C 1794 Maris, No. 32. Very fine. Brown color.

769 C 1795 Thin planchet. Planchet irregular on edge in front of face. Extremely fine. Light olive.

770 C 1798 Small date. Fine.

771 C 1800 Erroneous date, sometimes called over '99, but probably caused by the die sinker forgetting the change in the century, as 7 and 9 show distinctly, but no 9 in last 0. Uncirculated. Beautiful light olive color. Extremely rare.

772 C 1801 Bold, sharp, even impression; perfect, even milling on obverse and reverse; no part weak. A cent of this date with these qualifications is of seldom occurrence, and this specimen is the finest example we have seen. Beautiful olive color, and in extremely fine condition. Excessively rare.

773 C 1802 Extremely fine. Almost uncirculated. Steel color.

774 C 1803 Fine. Dark olive.

775 C 1804 Broken die. Lines of the hair fine. Light color. Smooth surface. Fine. Very rare, and better than usually offered.

776 C 1806 Very fine. Light olive. Very rare.

777 C 1807 Perfect date. Light double scratch across obv. Fine.

778 C 1808 13 stars. Bold, even impression. Stars show centre lines, those in front of face stronger than the others. Barely touched by circulation. Extremely fine. Light olive color. One of the finest cents we have seen of this date. Excessively rare in this condition.

779 C 1809 Uncirculated. Weakly struck as usual. Olive color. Extremely rare.

780 C 1811 over 1810. Smooth surface, and an extremely fine specimen of this variety. Very rare.

781 B 1812 Small date. Uncirculated. Cleaned, now a purple color.

782 C 1812 Large date. Ex. fine. Bold impression. Steel color.

783 C 1813 Very good, nearly fine.

784 C 1814 Plain 4. Uncirculated. Beautiful light olive and bright red, brilliant surface. This variety is rarer than the crossed 4, in same condition. Very rare.

785 B 1814 Crossed 4. Uncirculated. The tips of the hair and wreath touched by cabinet friction. Smooth surface. Sharp. Steel color. A handsome cent.

786 C 1819 Small date. Uncirculated. Bright red.

787 C 1820 Perfect die. Uncirculated. Bright red. Very rare.
